1. FY '68 Budget

Mr. Brammell reported that a review of our FY '68 budget in OPFB has resulted in a cut of 5 of the 16 new positions formerly granted OBGJ by the DDI. Also, FY '68 funds will be very tight, especially if there should be a general pay raise in this period which would probably have to be absorbed without additional funds.

2. DDS Review of Testing Program Given New Employees

DDS is currently conducting a survey of the Directorates on the success of the testing program given to new employees.

3. Proper Office Attire

Mr. Brammell reported that there has been some concern in the Agency over types of clothing being worn to the office. Extremes of fashion are not appropriate for office wear. Personnel should dress so that he or she can represent the Agency at a moment's notice in any circumstance.
